## NeoReviews™ Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content.

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she edits/writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.

None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

## Disclosures

- Robert Castro, MD, FAAP, disclosed that he participates in the Abbott Nutrition and Mead Johnson speaker bureaus.
- Ivan Hand, MD, FAAP, disclosed that he participates in the Abbott Nutrition and MedImmune speaker bureaus.
- Josef Neu, MD, FAAP, disclosed that he serves as a consultant to Abbott Nutrition, Life Sciences Research Offices, Environs and Nestlé; and that he has a research grant, serves as a consultant and on the advisory board of Mead Johnson.
- William Truog, MD, FAAP, disclosed that he participates in a pilot clinical research study for ONY Inc; and participates in the Trial of Late Surfactant (to Prevent BPD) of the National Heart, Blood and Lung Institute.

### Continuing Medical Education Statements

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a maximum of 18 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 18 AAP Credit(s). These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credit(s)*™ from organizations accredited by the ACCME.

This program is approved for 18 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

It has been established that each month's question will take the learner a maximum of 1.5 hours to complete.

### How to complete this activity

*NeoReviews* can be accessed and reviewed online at <http://neoreviews.aappublications.org>. Learners can claim credit monthly online. The deadline for submitting 2011 answers is December 31, 2013. Credit will be received in the year in which it is submitted. It is estimated that it will take approximately 15 minutes to complete each issue. This activity is not considered complete until the learner documents participation in that activity to the provider via online submission of answers. Course evaluations will be requested online.
