Continuing Medical Education Statements  
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a maximum of 18 AAP Credit(s). These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts AAP ACRG Category 1 Credits™ from organizations accredited by the ACCME.

This program is approved for 18 NAPSNAP CE contact hours; pharmacology (Rx) contact hours to be determined by the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

It has been established that each month's question will take the learner a minimum of 1.5 hours to complete. 

How to complete this activity  
NeoReviews can be accessed and reviewed online at http://neoreviews.aappublications.org. Learners can claim credit online. 

The deadline for submitting answers is the deadline for submitting this issue. 

The answers to the questions will be published in the following issue. 

Please note that the questions have been completed until the answers to the questions are published. 

For more information, please contact the American Academy of Pediatrics at (847) 478-6000.
