NeoReviews™ Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. The CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. The CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. The CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. The CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content.

All individuals in a position to influence and/or control CME content are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing pharmaceuticals, off-label pharmaceutical use, investigational therapies, and not necessarily those of the American Academy of Pediatrics or its members.

Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. The CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. The CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. The CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous CME content. Continuing Medical Education Statements

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a maximum of 18 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 18 AAP Credit(s). These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Pediatric Physicians accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACME.

This program is approved for 14 NAPNAP CE contact hours, pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

It has been established that each month’s questions will take the learner a minimum of 1.5 hours to complete.

How to complete this activity

NeoReviews can be accessed and reviewed online at http://neoreviews.aappublications.org. Learners can claim credit monthly online. The deadline for submitting 2011 answers is December 31, 2011. Correct answers to all questions must be completed until the learner documents participation in that activity to the provider via online submission of answers. Course evaluations must be completed online.
