NeoReviews™ Editorial Board Disclosures
The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME Activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content.

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entry producing, marketing, reselling or distributing health care goods or services consumed, or used on patients.

Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she edits/writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.

None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures

Robert Castro, MD, FAAP, disclosed that he participates in the Abbott Nutrition and MedImmune speaker bureaus.
Ivan Hand, MD, FAAP, disclosed that he participates in the Abbott Nutrition and MedImmune speaker bureaus.
Jose Nea, MD, FAAP, disclosed that he serves as a consultant to Abbott Nutrition, Life Sciences Research Offices, Environs and Nestlé, and that he has a research grant, serves as a consultant and on the advisory board of MedImmune.
William Truong, MD, FAAP, disclosed that he participates in a pilot clinical research study for ONY, Inc and participates in the trial of Late Surfactant (to Prevent BPD) of the National Heart, Blood and Lung Institute.

Continuing Medical Education Statements
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The AAP designates this journal-based CME activity for a minimum of 18 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
This activity is acceptable for a maximum of 18 AAP CME credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.
The American Academy of Physicians Assistants accepts AAP PRA Category 1 Credits™ from organizations accredited by the ACCME.

This program is approved for 18 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines. It has been established that each month’s questions will take the learner a maximum of 1.5 hours to complete.

How to complete this activity
NeoReviews can be accessed and reviewed online at http://neoreviews.aappublications.org. Learners can claim credit monthly online. The deadline for submitting CME answers is December 11, 2011. Correct answers will be posted on the site in February 2011 in the CME area of the NAPNAP website. Correct answers will be posted on the site in February 2011 in the CME area of the NAPNAP website. Learners must complete the activity during the month it is presented. Only learners who successfully achieve a score of at least 12 correct answers will receive credit. Only those who complete the activity online are eligible to receive credit. Participants must read the questions and answer them before the deadline. After submitting the answers, the learners will be able to print their成绩单. Participants must submit only one each CME activity. Participants who do not achieve the minimum score for the activity will be notified and will be able to correct their answers in the following month’s issue of the journal. Only correct answers will be accepted, and incorrect answers will not be scored. This activity is supported, in part, through an educational grant from Abbott Nutrition, a division of Abbott Laboratories, Inc.

Medical and Nursing Continuing Education Statements for the Online Activity:
This educational activity is designed to improve the learner’s knowledge and therefore their performance in providing care for infants and children. The AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME Activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content.

For more information, contact the National Association of Neonatal Nurses: 1-866-841-2271.

For questions about the Web-based program, the American Academy of Pediatrics, 141 Northwest Point Blvd., Elk Grove Village, IL 60007-1098.
