Ivan Hand, MD, FAAP, disclosed that he participates in the Abbott brand names, and manufacturers.
Robert Castro, MD, FAAP, disclosed that he participates in the Abbott health-care goods or services consumed by, or used on, patients. The staff has disclosed, if applicable, that the CME content he/she edits/defined as any entity producing, marketing, reselling or distributing commercial services discussed in CME activities. Commercial interest is subsequently to learners that the individual either has no relevant financial relationships to disclose unless noted below. The AAP CME activities are required to disclose to the AAP and all potential conflicts of interest before the confirmation of service of scientifically rigorous AAP CME activities by identifying and resolving all financial interests that interfere or could appear to interfere with their professional duties. It has been established that each month’s question will take the learner a maximum of 1.5 hours to complete. This activity is not considered to have been completed until the learner documents to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 18 AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How to complete this activity NeoReviews™ can be accessed and reviewed online at http://neoreviews.aappublications.org. Learners can claim credit monthly online. The deadline for submitting CME answers is the last day of the month in which the issue is published. CME credits will be awarded only if the test has been completed and the learning outcomes are accurately addressed. The test will be available online from the issue date until the end of the following year in which it is submitted. It is estimated that it will take approximately 1.5 hours to complete this activity. This activity is acceptable for a maximum of 18 AMA PRA Category 1 Credit(s). This program is approved for 18 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines. Send address changes to NEOREVIEWS®, American Academy of Pediatrics, 141 Northwest Point Blvd., Elk Grove Village, IL 60007-1098. This activity is acceptable for a maximum of 18 AMA PRA Category 1 Credit(s). Physicians should claim only the credits commensurate with the extent of their participation in the activity. This activity is acceptable for a maximum of 18 AMA PRA Category 1 Credit(s). These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP. The American Academy of Physician Assistants accepts AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME. This program is approved for 18 NAPNAP CE contact hours, pharmacy (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.
