Continuing medical education statements
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

NeoReviews offers 24 CME articles per year. A maximum of one AMA PRA Category 1 Credit™ is earned after achieving a 60% score on each designated quiz. The AAP designates this journal-based CME activity for a maximum of one AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 24 (AAP Credit(s). These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Pediatric Assistants accredits AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME.

This program is approved for 24 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

It is established that each month’s question will take the learner a maximum of 2 hours to complete.

How to complete this activity
NeoReviews can be accessed and reviewed online at http://neoreviews.aappublications.org. Learners can claim credit monthly. The doi 10.1542/nr.2012-0616 has been assigned to this activity, which is submitted at the end of each question set. It is estimated that each question set will take 2 hours to complete.

Disclosure

The American Academy of Pediatrics (AAP) policy on disclosure of financial relationships and resolution of conflicts of interest for AAP CME activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving conflicts of interest and/or potential conflicts of interest. All individuals in a position to influence and/or control the content of CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving conflicts of interest and/or potential conflicts of interest.

Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that they have no conflicts of interest, no financial relationships, or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entry producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.
