NeoReviews™ Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

NeoReviews™ Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she edits/ writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.

None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures

• Ivan Hand, MD, FAAP, disclosed that he participates in the Abbott Nutrition and MeadImmune speaker bureaus.

• Joseph Neo, MD, FAAP, disclosed that he serves as a consultant to Abbott Nutrition, Life Sciences Research Offices, Environ and Nestlé, and that he has a research grant, serves as a consultant and on the advisory board for the Mead Johnson Foundation.

• William Truog, MD, FAAP, disclosed that he participates in a pilot clinical research study at ONY Inc. and participates in the Trial of Late Surfactant (to Prevent BPD) of the National Heart, Blood and Lung Institute.

Continuing medical education statements

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

NeoReviews offers 24 CME articles per year. A maximum of one AMA PRA Category 1 Credit™ is earned after achieving 60% correct on each designated quiz. The AAP designates this journal-based CME activity for a maximum of one AMA PRA Category 1 Credit™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 24 AAP Credit(s). These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts ACCME accreditation for the content of this activity for Certified Physician Assistants.

The American Academy of Pediatrics (AAP) certifies that this activity is eligible for up to 24 CE contact hours per year, which is the quantification of the educational activity. Please refer to the National Association of Neonatal Nurse Practitioners website to determine how this activity meets your continuing education needs.

How to complete this activity

NeoReviews can be accessed and reviewed online at http://neoreviews.aappublications.org. Learners can claim credit monthly online. The Education for Neoreviews AAP is available to Fellows and Candidate Members of the AAP.

This program is approved for 24 NAPNAP CE contact hours; pharmacology (Rx) contact hours are determined by the National Association of Neonatal Nurse Practitioners.

It has been established that each month’s question set will take the learner a minimum of 2 hours to complete.
