NeoReviews® Editorial Board Disclosures
The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME. Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients. Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she edits/write/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers. None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures
• Ivan Hand, MD, FAAP, disclosed that he participates in the Abbott Nutrition and MedImmune, speaker bureaus.
• Josef Neufang, MD, FAAP, disclosed that he serves as a consultant to Abbott Nutrition, Life Sciences Research Offices, Environ and Nestlé, and that he worked as a research grantee as a consultant and on the advisory board of Mead Johnson.
• William Truog, MD, FAAP, disclosed that he participates in a pilot clinical trial of a product for one of the companies listed in the above.
• Joseph R. Hageman, MD, FAAP, disclosed that he participates in the Abbott Nutrition, Life Sciences Research Offices, Environ and Nestlé, and that he participated in the Trial of Late Surfactant (to Prevent BPD) of the National Heart, Blood and Lung Institute.

Continuing medical education statements
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. NeoReviews offers 24 CME articles per year. A maximum of one AMA PRA Category 1 Credit(s)™ is earned after achieving a 60% score on each designated quiz. The AAP designates this journal-based CME activity for a maximum of one AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity is acceptable for a maximum of 24 (24) Credit(s). These credits can be applied toward the AAP CME/CPT Award available to Fellows and Candidate Members of the AAP. The American Academy of Pediatric Physicians accepts AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME. This program is approved for 24 NASNAP CE contact hours; pharmacology (Rx) contact hours to be determined by the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines. It has been established that each month’s question will take the learner a maximum of 2 hours to complete.

How to complete this activity:
NeoReviews can be accessed and reviewed online at http://neoreviews.aappublications.org. Learners can claim credit monthly online. The online activity includes both question and quiz components: one must complete both sections to successfully earn CME credits. Claiming credits online is available to those in the United States; however, those outside the United States can claim CME credits in accordance with their local regulations. The completeness of the claims process must be verified by the learner. Learners outside the United States must contact the AAP CME Office to verify CME completion. After claiming credit online, each learner will receive a certificate that verifies the completion of the CME activity. The certificate is earned after achieving a 60% score on each designated quiz. The AAP designates this journal-based CME activity for a maximum of one AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
