Video Corner: Use of Pulse Oximetry in the Delivery Room
JoDee Anderson

Visual Diagnosis: Blueberry Muffin Rash and Respiratory Distress in a Late Preterm Infant
Kathryn Farrell, Robert J. Hayashi, Jennifer A. Wambach

Continuing Medical Education Statements
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

NeoReviews™ offers 24 CME articles per year. A maximum of one AMA PRA Category 1 Credit(s)* is earned after achieving a 65% score on each designated quiz. The AAP designates this journal-based CME activity for a maximum of one AMA PRA Category 1 Credit(s).* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 24 CME credits. These credits can be applied toward the Council on Graduate Medical Education guidelines and the American Board of Pediatrics. This program is approved for 24 NASNPE CME contact hours; pharmacology (Rx) contact hours must be determined by the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines.

It is estimated that each month's question will take the learner a minimum of 2 hours to complete.
