NeoReviews™ is supported, in part, through an educational grant from Abbott Nutrition, a division of Abbott Laboratories, Inc.

NeoReviews™ Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content.

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entry producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she edits/writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.
None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures
• JoDee Anderson, MD, MEd, FAAP, disclosed that she has a paid consultant relationship with Abbott Nutrition.
• Josef Neu, MD, FAAP, disclosed that he serves as a consultant to Abbott Nutrition, Medcon, Medela, and Fonterra Foods, he receives honorarium from Neatle and Dannon, and he has a research grant relationship with Cowden and Guther.

NeoReviews™
Vol.14 No.2 February 2013

It has been established that each CME activity will take the learner approximately 1 hour to complete.

CME statements:

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a minimum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD® Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may claim a maximum of 1.00 hour of Category 1 credit for completing this program.

This program is accredited for 1.00 NAPNAP CE contact hour; pharmacology (Rx) contact hours to be determined by the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

It is established that each CME activity will take the learner approximately 1 hour to complete.

*Continuing Professional Development

How to complete this activity

NeoReviews® can be accessed and reviewed in print or online at http://neoreviews.aappublications.org. Learners can claim credit monthly online upon completion of each CME article. The deadline for completing this activity is December 31, 2015. Credit will be reported to the learners who submit the correct answers to the questions. Learners will be encouraged to complete this activity in 1 hour to complete each CME article. This activity is self-assessment designed to be completed by the learner during the instructional phase of a CME activity.

CME activity in self-assessment format is intended to foster critical thinking and professional judgment by the trainee. The learner is encouraged to discuss this activity with a preceptor or other members of the health-care team, as appropriate.
