ARTICLES

e425 International Perspectives: Reducing Birth Asphyxia in China by Implementing the Neonatal Resuscitation Program and Helping Babies Breathe Initiative
Tao Xu, Susan Niemeyer, Henry C. Lee, Wendy M. Simon, Qing Yue, Limin Gong, Huishan Wang

ne435 Highlights of the New Neonatal Resuscitation Program Guidelines
Jeffrey M. Perlman

ne447 Simulation and the Neonatal Resuscitation Program 7th Edition Curriculum
Taylor Sawyer, Anne Ades, Kimberly Ernst, Christopher Colby

ne454 Temperature Management in the Delivery Room and During Neonatal Resuscitation
Wannasiri Lapcharoensap, Henry C. Lee

ne463 Perinatal Asphyxia in the Delivery Room: Initial Management and Current Cooling Guidelines
Lina F. Chalak

ne473 Management of the Meconium-Stained Newborn
Meera Meerkov, Gary Weiner

INDEX OF SUSPICION IN THE NURSERY
Case 1: Neonate with Generalized Scalp Swelling and Severe Pallor
Anita Singh, Shakal Narayan Singh

Case 2: Wide-Complex Tachycardia in a Newborn
Ronish Gupta, Victoria Gel, Robert Gow

Strip of the Month: August 2016
Richard H. Cockrum, Shelly H. Tien

Video Corner: Infant with Respiratory Distress
Dara Brodsky

Visual Diagnosis: A Newborn Infant with Brain Calcifications
Mohammad Kazemian, Batool Emadi, S. Hossein Fakhraee

NeoReviews offers 24 CME articles per year. A maximum of one AMA PRA Category 1 Credit™ is earned after achieving a 60% score on each designated quiz.

CME statements:
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD* Award only the credit commensurate with the extent of their participation in the activity.

NeoReviews™ Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the completion of review of those in a position to influence and/or control the content of CME content.

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she/its service may include disclosure/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.

None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures
Sergio Golombek, MD, MPH, disclosed that he is on the speaker bureau of KINHA, Inc.; has a clinical trial relationship with Anicago, and has a consultant role with Israeli Health Technology, Ltd.

Carole Kenyon, DNP, ARNP, NNP-BC, disclosed that she has a grant for education/research from Novo Nordisk.

Lisa Divito, DNP, RNC, disclosed she has research and honoraria support from Prolacta Bioscience, Inc.

Carole Kenyon, DNP, ARNP, NNP-BC, disclosed that she has received grant for a multicenter clinical trial from Medipost America, Inc. and has received lecture honoraria from Draeger Medical, Inc.; and that he participates in Data Safety Monitoring Boards with Medipost America, Inc. and Therabron Therapeutics, Inc.

Josef Neu, MD, disclosed he has a research grant with Medala and Infant Microbial Therapeutics, Inc.

Michael P. Sherman, MD, disclosed he has research and honoraria support from Pediatric Ultrasounds, Inc.

Michael P. Sherman, MD, disclosed he has a research grant with Medala and Infant Microbial Therapeutics, Inc.

Michael P. Sherman, MD, disclosed he has received an honorarium from Medal Johnson Nutritional Institute.

Carol Wallman, DNP, ARNP, NNP-BC, disclosed she has stock/bonds with Biogen and hold cash in an IRA.
