NeoReviews™ Editorial Board Disclosures

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content.

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients. Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she edits/ writes/reviews may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.

None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures

- Sergio Golombek, MD, MPH, disclosed that he is on the speaker bureau of IKARIA, Inc.; has a clinical trial relationship with Chiesi, Inc.; and is on the speaker bureau and has honoraria support from Prolecta Bioscience, Inc.
- Carole Kenner, PhD, RN, disclosed that she had a grant for education/research from Novo Nordisk.
- Martin Keszler, MD, has disclosed that he has a research grant for a multicenter clinical trial and has received speaker honoraria from Draeger Medical, Inc.; and that he participates in Data Safety Monitoring Boards with Chiesi Pharmaceutical, Medipost America, Inc., and Therabron Therapeutics, Inc. Medipost America, Inc.
- Josef Neu, MD, has disclosed he has research grants and serves on the Scientific Advisory Boards of Medala and Infant Bacterial Therapeutics.
- Carol Wallman, DNP, APRN, NNP-BC, has disclosed she has stocks/bonds with Biogen and CVS Health.
- Thomas Wiswell, MD, disclosed that he is a member of a Data Safety Monitoring Board with Draeger Medical, Inc.

NeoReviews offers 24 CME articles per year. A maximum of one *AMA PRA Category 1 Credit™* is earned after achieving a 60% score on each designated quiz.

CME statements:

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this journal-based CME activity for a maximum of 1.00 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD* Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME. Physician assistants may receive a maximum of 1.00 hour of Category 1 Credit for completing this program.

This program is accredited for 1.00 NAPNAP CE contact hour; pharmacology (Rx) and psychopharmacology contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

It has been established that each CME activity will take the learner approximately 1 hour to complete.

*Continuing Professional Development

How to complete this activity

NeoReviews can be accessed and reviewed in print or online at <http://neoreviews.aapublications.org>. Learners can claim credit monthly online upon completion of each CME article. The deadline for completing this activity is December 31, 2019. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete each CME article. This activity is not considered for credit.
