Michael J. Kochan, Tamara Freiden, Margaret Pyle, Amal Isaiah, Sripriya Sundararajan

NeoReviews™ offers 24 CME articles per year. A maximum of one AMA PRA Category 1 Credit™ is earned after achieving a passing score on each designated quiz. 2018 NeoReviews is approved for a total of 10 Maintenance of Certification (MOC) Part 2 credits by the American Board of Pediatrics through the AAP MOC Portfolio Program.

CME Statements
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 1.00 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD* Award only the credit commensurate with the extent of their participation in the activity.

MOC Statement
This activity is approved for 10 points of MOC Part 2 (CRediT) by the American Board of Pediatrics. All approved activities must be completed by the MOC Credit Approval Deadline of December 31, 2020. The ABP Activity Catalog within each physician’s ABP Portfolio must be completed by the MOC Activity Completion Deadline of December 31, 2020. CME credits will be recorded in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete each CME activity. This activity is not considered to have been completed until the learner documents participation in this activity to the provider via online submission of answers. CME credits are available online.

Vice President, Publishing: Mark Grimes
Director, Journal Publishing: Joseph Puskirtz

NeoReviews™ is supported, in part, through an educational grant from Abbott Nutrition, a division ofAbbott Laboratories, Inc.

NeoReviews™ Editorial Board Disclosures
The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those involved in the production, influence, or control of CME content. Each individual in a position to influence and/or control the content of AAP CME activities is required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial products (and/or providers(s) of commercial services) discussed in the CME activity. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients. Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she/their reviews/answers may include discussion/reference to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.

None of the editors, board members, reviewers, question writers, or staff has any relevant financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures
• Jeff Golombek, MD, MPH, disclosed that he is on the speaker bureau of Mallinckrodt, Inc., and serves on the Data Safety Monitoring Board of Chiesi Pharmaceutical.

• Corrine L. Leach, MD, has disclosed that her family member has a paid consultant relationship related to ultraviolet germicidal irradiation of hospital HVAC systems.

• Martin Keleser, MD, has disclosed that he receives honoraria from Draeger Medical, Inc.; has research grants with Windtree Therapeutics, Inc., and serves on the Data Safety Monitoring Board of Chiesi Pharmaceutical.

• Convie L. Lach MD, has disclosed that her family member has a paid consultant relationship related to ultraviolet germicidal irradiation of hospital HVAC systems.

• Henry C. Luo, MD, has disclosed that he is the principal investigator on a grant from the Eunice Kennedy Shriver National Institute of Child Health and Human Development (R01 HD087425).

• Josef Neu, MD, has disclosed that he has research grants and serves on the Scientific Advisory Board of Medela and Infant Bacterial Therapeutics, and that he serves on the scientific advisory board of Nutricia.

No financial relationships disclosed by others.
