NeoReviews® Editorial Board Disclosures
The American Academy of Pediatrics (AAP) policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of these in a position to influence and/or control CME content.

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of any commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients. Each of the editorial board members, reviewers, question writers, and staff has disclosed, if applicable, that the CME content he/she edits/develops may include discussion/references to generic pharmaceutical, off-label pharmaceutical use, investigational therapies, brand names, and manufacturers.

None of the editors, board members, reviewers, question writers, or staff has any financial relationships to disclose unless noted below. The AAP has taken steps to resolve any potential conflicts of interest.

Disclosures
• Sergio Golombek, MD, MPH, disclosed that he is the speaker bureau manager for Mallinckrodt, Inc., and is a paid consultant for Praxica Biosciences, Inc.
• Joseph Hagman, MD owns stocks and bonds and is on the advisory board of Oclotek, Inc.

• Martin Keszler, MD, has disclosed that he receives honoraria and has a research grant with Dragey Medical, Inc.; has research grants with windshield Therapeutics, Inc., and Mallinckrodt, Inc., and serves on the Data Safety Monitoring Board of Chiesi Pharmaceutical.

• Henry Lee, MD, has disclosed that he is the principal investigator on a grant from the Eunice Kennedy Shriver National Institute of Child Health and Human Development (R21 HD087470).

• Josef Neu, MD, has disclosed that he has research grants and serves on the Scientific Advisory Board of Medela and Infant Bacterial Therapeutics, and that he serves on the scientific advisory board of Nutricia.
