NeoReviews offers 24 CME articles per year. A maximum of one AMA PRA Category 1 Credit™ is earned after achieving a test score on each designated quiz. 200 NeoReviews is approved for a total of 10 Maintenance of Certification (MOC). Part 2 credits by the American Board of Pediatrics through the AAP MOC Portfolio Program.

CME Statements

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 1.00 (ACCME) to provide continuing medical education for physicians. The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education through the Accreditation Council for Continuing Medical Education, Inc., to provide continuing medical education for physicians. The AAP has determined that 1.00 credit(s) earned from participation in this program should be submitted in accordance with the requirements of the US Member Council of OCCME for Part 1 credit(s) from the OCCME system. The program is approved for Part 1 MOC credit(s). The program is approved for 2.00 Category 2 credits for The American Board of Pediatrics MOC Part 2/PS. A learner need only claim credit for the articles for which they claim participation.

MOC Statement

This activity is approved for 1080 points of MOC Part 2 credit by the American Board of Pediatrics. All approved activities must be completed by the MOC Credit Approval Program. The approved activity is included in the AJP Activity Catalog within each physician’s AJP Portfolio.
