The American Academy of Pediatrics (AAP) designates this journal-based CME activity for a maximum of 1.00 ACCME to provide continuing medical education for physicians. NeoReviews offers 24 CME articles per year. A maximum of one Category 1 Credit for completing this program. Each article meets the requirements for 10 MOC Part 2 credit(s) in Type 1 activities. This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD* Award Program.

CME Statements
The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACME) to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 1.00 ACCME Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NeoReviews™ is supported, in part, through an educational grant from Abbott Nutrition, a division of Abbott Laboratories, Inc.

The American Academy of Pediatrics (AAP) Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities is designed to ensure quality, objectivity, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest before the confirmation of service of those in a position to influence and/or control CME content. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Commercial interest is defined as any entity producing, marketing, reselling or distributing health-care goods or services consumed by, or used on, patients.

Editorial Board
• Martin Keszler, MD, has disclosed that he receives honoraria from and has a research grant to generic pharmaceuticals, off-label pharmaceutical use, investigational therapies, brand applicable, that the CME content he/she edits/write/reviews may include discussion/reference of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities.
