The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. 

CME Statements

60% score on each designated quiz. 2019 is approved for a total of 10 Maintenance of Certification (MOC) credits. Physicians should claim credit in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete this activity. The program is accredited for 1.00 AAP credit. These credits can be applied toward the AAP CME/CPD Award Program.

How to complete this activity

Neoreviews offers 24 CME articles per year. A maximum of 60 MOC Part 2 credits is earned by achieving a 60% score on each designated quiz. 2019 Neoreviews is approved for a total of 10 Maintenance of Certification (MOC) Part 2 credits by the American Board of Pediatrics through the ACCME-Portfolio Program.

CME Statements

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AAP designates this journal-based CME activity for a maximum of 1.00 ABP MOC Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 1.00 AAP credit. These credits can be applied toward the AAP-CME/SCP Award available to Fellows and Candidate Members of AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for ABP MOC Category 1 Credit(s) from organizations accredited by ACCME. Physician assistants may receive a maximum of 1.00 hour of Category 1 Credit for completing this program.

How to complete this activity

Neoreviews can be accessed and reviewed in print or online at http://neoreviews.aappublications.org. Learners can claim credit monthly online upon completion of each CME article. The deadline for completing this activity is December 31, 2021. Credit will be recorded in the year in which it is submitted. It is estimated that it will take approximately 1 hour to complete each CME article. This activity is not considered to have been completed until the learner documents participation in that activity to the provider via online submission of an MOC form. Course evaluations are online.

MOC Statement

This activity is approved for 100 points of MOC Part 2 credit by the American Board of Pediatrics. All approved activities must be completed by the MOC Credit Approval End Date. All deadlines and MOC point values should be confirmed by checking the CME article, with a minimum passing score of 60% on each, to earn 10 MOC Part 2 credits.

INDEX OF SUSPICION IN THE NURSERY

Case 1: Severe Jaundice in a 2-day-old Term Neonate

Allison Lyle, Rodica Turcu
